Face Covering Giveaway!

Wearing a face covering over your nose and mouth when riding MTS is one of the best ways you can help keep those around you safe (in addition to spacing out on board as much as possible).

To help ensure we're all doing our part to keep each other safe, MTS is going to be giving away MTS face coverings and hand sanitizers to riders next week at select transit centers. If you're riding come find us (we'll be at tables behind sneeze barriers to help keep us all safe).

- America Plaza
