Passenger Short Fare

Short Fare

If a passenger is short on a One-Way \$2.25 fare, press the **AdltCash** key, and then the * key. This will record the ridership and collect the short fare. If the passenger qualifies for reduced fare, press the **S/D Cash key**, and then the * key. Failure to follow this sequence will result in the Farebox issuing a Day Pass. All mistakenly printed Day Passes must be turned into dispatch.
