San Diego Bay Parade of Lights

The San Diego Bay Parade of Lights is a time-honored holiday tradition brought to San Diego by the boating community. Continuing its long-standing San Diego tradition, the 50th annual San Diego Bay Parade of Lights promises to dazzle and entertain bayfront crowds during 2 evenings on December 12 and December 19, 2021. Participants in this year's highly anticipated holiday boat parade will decorate their boats to fit this year's theme: The Twelve Days of Christmas.

How to get to the event using public transportation:

Attendees are encouraged to utilize San Diego Public Transit, such as the San Diego Trolley. All three trolley lines and several bus lines serve stations with parking lots that provide convenient service to the North Embarcadero area, including Fashion Valley and Old Town.

To get within a short walk of Harbor Drive, take the Green or Blue Line to the Santa Fe Depot station, or the Orange Line to the America Plaza station. On Sundays, two children ages 12 and under ride free on MTS Trolley and Bus with each paid adult.
