Social Equity Listening Tour Outreach Event

What matters most to you in a transit system when it comes to safety and accessibility? What improvements are most important to you?

This summer, MTS has partnered with Pueblo Planning to conduct a social equity listening tour to identify the needs and priorities within our service area.

Stop by to participate in the interactive engagement and provide your feedback about what will make the most difference to your transit experience.

- **July 28, 1 to 7 p.m.** Linda Vista Farmers Market (Take Route 44 from Old Town or the Morena Linda Vista Station)
