Beat traffic by taking the Trolley to Petco Park! Here are some important tips for getting to Petco Park this weekend:

- 1. Extra service planned post-game.** Trolley service is expected to run every 15 minutes for 45 minutes following the game on all three lines. If needed and operators are available, extra service may run on the Green Line and southbound on the UC San Diego Blue Line. In addition, extra shuttles to and from Coronado (Route 901) are also scheduled.
- 2. Everyone needs their own PRONTO card or app account.** You cannot pay for multiple people with one PRONTO app account or card, each person will need their own fare.
- 3. Avoid purchasing one-way cash fares at the ticket machines day-of if possible.** Ticket lines get long pre-and post-game. If possible, load enough money for a round-trip to your PRONTO app, or to your card at [RidePRONTO.com](https://ridepronto.com) in advance. If

purchasing a fare day-of, load enough money to your PRONTO card in advance rather than paying for separate cash fares. With money loaded to your app or PRONTO card, just tap or scan at a validator before boarding.

4. **Visit our Petco Park page for extra details on how kids can ride free, free park and ride lots and more!**
