## Elton John: Farewell Yellow Brick Road

A multiple Grammy-winning legend and international superstar, Elton John is the most enduringly successful singer/songwriter of his generation. He'll be performing at Petco Park during his tour, Farewell Yellow Brick Road: The Final Tour.

Get to the concert with MTS! Three (3) San Diego Trolley stations - 12th and Imperial, Park and Market, and the Gaslamp Quarter Station (Fifth Avenue and Harbor Drive) serve Petco Park. All three Trolley lines - Orange, UC San Diego Blue and Green - provide direct service to and from Petco Park.

### How To Pay For Your Fare

PRONTO is the easy way to pay for your transit fare! [Download the PRONTO App](#) to your phone, then load money onto your app ahead of the concert. You can also pick-up and add money to a PRONTO card (one-time \$2 fee) at any Trolley ticket machine or any [participating retail network location](#). Plan ahead to avoid the crowded lines!

Tap or scan your PRONTO card/app at a station validator every time you ride! A one-way fare will be deducted (valid for free transfers for two hours), up to the value of a Day Pass. Every passenger must have their own PRONTO app or PRONTO card.

We recommend loading at least enough money for a round-trip to save time after the end of the concert. You can also add more money to your account for future use (money added to PRONTO never expires). Click here to [learn more about PRONTO](#) or [view our Full Fare Chart](#).
