[Home](#) > Work Stoppage Update (May 17): MTS South Bay Bus Service Impacted; East County, Minibus and Access Service Operating Normal Service

---

Wednesday, May 17, 2023

*Trolley service is unaffected and will operate according to schedule*

**San Diego** – A work stoppage is in effect at the Metropolitan Transit System’s South Bay Bus Division due to ongoing negotiations between Transdev and its bus operators. Bus routes out of the South Bay division that may be impacted include: 1, 3, 5, 27, 28, 35, 225, 701, 704, 705, 709, 712, 901, 904, 905, 906, 907, 909, 916, 917, 923, 929, 932, 933, 934, 950/950A, 955, 961, 962, 963, 967, 968, 992. This makes up approximately 33% of MTS bus routes.

Bus routes out of the East County Bus Division, minibus, and MTS Access (paratransit) service are operating normal service.

Please note: real-time service information (such as the OneBusAway app) may not be accurate. Passengers can check the [MTS Alerts & Detours webpage](#) for updates and most accurate service information. Alerts are updated daily as soon as any missed trips are known. Passengers can also contact MTS Information & Trip Planning for trip planning assistance at 619-233-3004. MTS Access riders can contact at 888-517-9627 or visit [sdmts.com/work-stoppage](https://sdmts.com/work-stoppage) for recommended alternative transportation options. For press or media inquiries related to the agreement or negotiations, contact First Transit/Transdev at [Mitun.Seguin@transdev.com](mailto:Mitun.Seguin@transdev.com) or 301-674-3733.

MTS will update the public as more information is received, but urges the public to plan ahead for this potential disruption. MTS Trolley is unaffected and will operate according to schedule. MTS will notify the public and update schedules via social media and at [sdmts.com/work-stoppage](https://sdmts.com/work-stoppage).

We apologize for the delay in service and encourage riders to make alternative transportation plans when available.

## **About MTS**

The Metropolitan Transit System (MTS) operates more than 100 bus routes and three Trolley lines in 10 cities and unincorporated areas of San Diego. MTS is a leader in advancing initiatives to create a greener, cleaner and better-connected transit system in San Diego. Each weekday more than 220,000 passenger trips are taken throughout the MTS system taking people to work, school, health appointments and other essential trips. In FY 2022, MTS served more than 57 million riders. For service schedule updates, news, alerts and more information on how you can use public transportation, go to [www.sdmts.com](https://www.sdmts.com).
