## Hispanic Heritage - All of Us Festival

Immerse yourself in the vibrant culture of the Hispanic community and experience the richness of the community's traditions. Learn about Latino-specific health and wellness, and how Latinos have contributed to improving health research through the All of Us Research Program. We will host discussion forums to share information about All of Us and celebrate the impact the local Hispanic community has had on increasing diversity in health research. Join All of Us for a day of music, dance, health information & screenings, and more! Bring the whole family!
