Scheduled construction will impact Trolley service in East County

San Diego – As spirited sports fans make their way to San Diego Wave FC's and the San Diego Padres' home games this weekend, the Metropolitan Transit System (MTS) will be increasing Trolley service to accommodate the large crowds traveling to Petco Park and Snapdragon Stadium.

All three Trolley lines - UC San Diego Blue, Orange and Green - provide direct service to Petco Park, and the Green Line Trolley provides direct service to Snapdragon Stadium.

Construction Alert!

Sports fans traveling from East County communities, like El Cajon and Santee, are advised that all Trolley stations east of Grossmont Transit Center will not have Trolley service due to scheduled construction. A bus shuttle will be provided every construction day. [More information](#) can be found on the [MTS website](#).
