## Alfredo Rodríguez Trio

Alfredo Rodríguez is a Grammy-nominated pianist, composer, arranger, and producer. After meeting Quincy Jones at the Montreux Jazz Festival in 2006 and receiving an offer to work together, Alfredo emigrated to the US to pursue his dream of being an internationally acclaimed musician. Over the past decade, Alfredo has gone from a local Cuban artist to a globally recognized Grammy nominee with five critically acclaimed releases on tastemaker imprint Mack Avenue Records: *Sounds of Space* (2011), *The Invasion Parade* (2014), *Tocororo* (2016), *The Little Dream* (2018), and *Duologue* (2019) with percussionist Pedrito Martinez.

Beyond his accomplishments, Rodríguez's ability to “play stories” on the keys allows him to connect with his listeners on a deeply personal level. His albums, including *The Invasion Parade*, *Tocororo*, and *Duologue*, reflect his memories of Cuba, his experiences as an immigrant, and his journey of self-discovery through music. He's been featured by *All Things Considered*, *Downbeat*, the *New York Times*, *Los Angeles Times*, and *Wall Street Journal* among many others, and performed for NPR Music's Tiny Desk Concert.

Rodríguez continues to share his music along with his impactful message of perseverance and cross culturalization on an international tour, while sharing a variety of viral social media videos in which he plays well-known compositions in a Cuban timba style.
