Sessanta: Primus, Puscifer, A Perfect Circle

A 60th Birthday Celebration for MAYNARD JAMES KEENAN! All 3 Bands Onstage at the Same Time!

Sessanta, an untraditional tour that sees Puscifer, A Perfect Circle, and Primus joining forces, and sharing band members, is slated for April of 2024.

The Western U.S. outing is a resurrection, and expansion, of the 2014 Los Angeles event, Cinquanta, which was originally a one-time only celebration. Much like that fabled evening, which commemorated Maynard James Keenan's landmark 50th birthday, Sessanta celebrates the Puscifer and A Perfect Circle front man as he turns 60. Sessanta's unique format sees the musicians from the trio of bands joining each other's performances throughout the concert. While each group will have their own distinctive set, the players will continually transform as the night unfolds.

"It took some massaging, and some long days in rehearsal, but we managed to seamlessly pull off this three-song rotation at Cinquanta, my 50th birthday shows, at The Greek Theatre in 2014," says Keenan of the seven-date run that also sees A Perfect Circle's first live performances since 2018. "Bands aren't used to simultaneously sharing the stage with other bands, but if anyone can do it, it's Primus, A Perfect Circle, and Puscifer."
