Stick Figure - Sacred Sands Summer Tour with SOJA & Little Stranger

With a distinctive sound developed through tireless attention to musicality and artistry, **Stick Figure** has redefined American reggae music with his latest album, *Wisdom*, released on September 9th, 2022. As with his previous releases, *Wisdom* was written, produced and recorded by Scott Woodruff, a self-taught musician, at Stick Figure-owned Great Stone Studios in Oakland, CA, former home of Green Day.

Wisdom is Stick Figure's seventh album and follows the unprecedented success of 2019's *World on Fire*, which peaked at number 34 on the *Billboard* Top 200, #6 overall Top albums, #1 Independent, and #1 Reggae album. *World on Fire* has sold over 300,000 copies including streaming equivalents, according to Nielsen soundscan data. Stick Figure's catalog has now sold well over one million copies and been streamed over three billion times. On the live side, Stick Figure averaged over 4,200 tickets sold per show on an almost entirely sold out 2022 tour, according to Pollstar, and is played several major multi-genre festivals in 2023 after headlining the top reggae festivals in 2022.
