Paying Your Fare

Contactless Payment: Fans now have the option to simply tap a credit card or other [contactless payment](#) options, such as a smartphone or smartwatch, on a station validator to pay for a one-way ride (\$2.50, valid for two hours). This allows fans to bypass the ticket vending machine and can speed up wait times.

Kids ride free! Families going to Monster Jam can save money by taking MTS. During weekends, [two children 12 and under ride for free](#) with every paying adult. Youth ages 18 and under with a registered Youth PRONTO card or app account can ride free with the [Youth Opportunity Pass](#).

PRONTO: Fans should download the PRONTO app in advance. Load at least \$5 on your virtual card, which covers a round-trip fare for adult riders. All riders must tap or scan on validators to activate their pass or fare prior to boarding.

Every person needs their own payment option, you cannot buy fares for multiple people on the same account, card or payment method.
