Transportation Justice Expo

Join us for a powerful day of sustainability, climate action, and transportation justice as we reimagine a more connected, equitable, and greener future for our communities. We'll be having bike rodeos, community bike rides, opportunities to test ride electric vehicles, roller skating, a panel on microtransit, and a sustainable fashion show!

Panel: Bridging the Gap: Microtransit Solutions for Transportation Justice

How can microtransit bridge mobility gaps in City Heights & Southeastern San Diego? What challenges exist, and how can we ensure solutions are community-driven & sustainable? Come learn about existing efforts in City Heights and Southeastern San Diego!

The panel features experts from SANDAG, City Heights CDC, Urban Collaborative Project, & Via Transportation—don't miss this discussion on equitable, accessible transit solutions!

MTS Outreach

MTS will be on-site, engaging with the community and gathering input to help shape the future of transportation in San Diego County. Stop by to share your ideas, ask questions, and learn more about what's next for public transit!

How to get to the Expo
