Tuesday, April 22, 2025

Each year, MTS participates in a national survey to better understand how our transit services matchup with other transit agencies from across the country. This year, we will be surveying both bus and Trolley ridership. Survey feedback not only helps MTS better understand how it can improve the customer experience, but also provides data for the public transportation industry as a whole.

If you want to participate and provide your feedback on using MTS bus and Trolley service, use the links below! The survey will be available through May 19, 2025.
