## **Go Multimodal**

Looking to explore America's Finest City with friends and family this summer? Do you think outside the bus when it comes to your transportation options? Multimodal commutes are increasing in popularity for the flexibility they provide passengers when planning a trip. We have partnered with local bike-sharing company, DecoBike, to help our passengers and visitors explore San Diego in new ways. DecoBike has 700 bikes around the City of San Diego for public use. Passengers can ride the bus or Trolley and pick-up a DecoBike in Barrio Logan or South Park, Golden Hill, Mission Bay and in-between at one of 92 stations. Put on your sunscreen and get ready to play tourist in your hometown!

For more information about DecoBike, visit [decobike.com/sandiego](http://decobike.com/sandiego).

*Stay tuned to MTS social media throughout the summer for your chance to win a free DecoBike membership!*
