New ADA Seat Policy.

Play nice or be fined. As of February 13, refusal by an MTS passenger to vacate priority seating and wheelchair areas for persons with disabilities and the elderly (65+) upon request may result in a citation up to \$100. All Trolley and bus vehicles have multiple areas designated for disabled and senior riders; these seats are marked clearly with blue signs and are located near entry/exit points.

You can also use the location button in the app to browse stops near you – bookmark and rename them for easy reference. Plus, alerts along your route will also be available within the app!
