### ***All three Trolley Lines serve the doorstep to all the action***

**San Diego** – A sellout crowd is anticipated on Saturday night when Monster Energy AMA Supercross racing returns to PETCO Park and Metropolitan Transit System (MTS) is scheduling extra trains to accommodate fans. Additionally, MTS's mobile ticketing app, mTicket, is active for the event, allowing attendees to purchase Trolley tickets on their smartphones and bypass the ticket vending machine.

Practice and qualifying begins at 12:30 p.m. Racing begins at 6:30 p.m. and concludes around 10:30 p.m. All three Trolley lines drop off fans steps away from Petco Park at the 12th & Imperial Transit Center. The following Trolley schedule will apply on Saturday:

Green Line (from Santee to 12th & Imperial) – Trains depart all stations every 15 minutes all day. Beginning at 5:08 p.m. trains will run every 7 ½ minutes from Qualcomm Stadium to Petco Park. Last train leaving downtown San Diego will depart at 11:36 p.m.

UC San Diego Blue Line (from San Ysidro to 12th & Imperial) – Before and after the event, trains depart all stations every 15 minutes. Last train leaving downtown San Diego will depart at midnight.

Orange Line (from El Cajon to 12th & Imperial) – Before and after the event, trains depart every 15 minutes. Last train leaving downtown San Diego will depart at 12:03 a.m.

Fans are encouraged to take the Trolley to Petco Park for the festivities due to limited parking available near the stadium and security screening measures at Petco Park.

The best locations to park and ride the Trolley to Petco Park are:

- Qualcomm Stadium: 5,000 free parking spots (Green Line, 30 minutes to Petco Park)
- Old Town Transit Center: 412 free parking spots (Green Line, 15 minutes to Petco Park)
- Palm Avenue Station: 499 free parking spots (Blue Line, 23 minutes to Petco Park)
- Spring Street Transit Center: 324 free parking spots (Orange Line, 26 minutes to Petco Park)

To avoid Trolley ticket lines and speed up the boarding process after the event, fans can purchase and store Trolley passes right on their smartphones at any time prior to arriving at transit stations by using mTicket. Multiple mTickets can be purchased on one smartphone too,

making it easy for families traveling together. For more information, visit [www.sdmts.com/fares-passes/mobile-ticketing](http://www.sdmts.com/fares-passes/mobile-ticketing).

MTS operates 95 bus routes and three Trolley lines on 53 miles of double-tracked railway. Every weekday more than 300,000 passenger trips are taken on MTS bus and Trolley services. MTS set a new record in FY 2015 with 96.7 million riders. For more information on how you can use public transportation and save money, go to [www.sdmts.com](http://www.sdmts.com).
