Update:

We've made some changes! The schedules lookup has a few new features that didn't make it into the video, the most important of which is that the "Direction" drop-down has been replaced with a selector. Stay tuned for a new instructional video.

We couldn't be more excited about our new website, and we want you to love it too! If the big changes have you stumped when it comes to finding schedules, this quick tutorial video is going to be just what you need to find the schedule and real time information that you need.
