The U.S. Sand Sculpting Challenge will take place over Labor Day weekend at the B Street Cruise Ship Terminal Pier in Downtown San Diego. This is a four-day sand extravaganza with fun for the whole family!

Using 300 tons of sand, the world's best sand sculptors from countries such as Italy, Ireland, the Netherlands, Canada, Latvia and Singapore challenge the best in the U.S. Each sculpture weighs more than 10 tons and would seriously mess up your carpet! The U.S. Sand Sculpting Challenge has been called the most creative atmosphere in the world. There's nothing else like it anywhere.

Gates open at 9am all four days. For directions and more information visit USSandSculpting.com. People with a Compass Card or Trolley ticket receive a \$2 discount on admission!
