Thursday, January 12, 2017

We hope you have all had a chance to take a look at our vastly improved intranet, the internal website for MTS employees. More than 200 employees are accessing it every day and we continue to improve the site with new content.

To better familiarize all employees with the intranet, Marketing will be hosting several "pop up" events at various sites around the agency over the next two weeks.

And, as Marketing people like to do, we've put together a few prizes to incentivize everyone to go onto the site and play around to discover all of its resources. It's a scavenger hunt game and there is more than $500 in prizes available! See the attached flyer for more information.

Please feel free to stop by one of the locations below and enjoy playing the MTS Intranet Scavenger Hunt! Deadline to play is Feb. 1.

Complete the Scavenger Hunt Now!
