ADP Account Setup

Employees will now use the Internal Career Center to apply to be considered for advancement into available positions. Monitoring the list of available positions on the Internal Career Center and completing the online application process is the only way to be considered for advancement. Effective immediately, we will no longer accept paper Upgrade Request Forms.

1) Sign-up for an ADP account by filling out and sending the "**ADP Signup Form**" listed in the links below to: <u>mayra.ramirez@sdmts.com</u>

- 2) Instructions will be sent to your email containing your assigned registration code.
- 3) Follow the email instructions to complete the account and logon.
- 4) Please read the link "ADP User Instructions" for further information.
