[Home](#) > On-Board Passenger Survey Now Available!

Tuesday, February 14, 2017

Interested in learning who is riding MTS bus and rail service? Or, why MTS passengers use transit? Look no further! The SANDAG On-Board Passenger Survey takes a deep dive into the ridership profile for all bus and rail routes in the San Diego region.

Some important findings include:

- 34.2% of San Diego County transit riders were on trips between home and work.
- Nearly 77.8% of San Diego County transit riders use transit four or more days a week.
- 66.0% of San Diego County transit riders are employed on at least a part-time basis.
- 55.2% of San Diego County transit riders are between the ages of 19 and 34.
- Walking all the way is the dominant access and egress mode for all San Diego County transit riders, on average 88% and 90% respectively.
- Approximately 63.7% of San Diego County transit riders Annual Household Income is below \$40,000.
