Downtown Track Closures This Fall to Make Way for New Courthouse Trolley Station

A new station will soon be added to the MTS Orange Line in downtown San Diego. Work on the soon-to-be Courthouse Station has begun, and is expected to wrap up in early 2018. The Courthouse Station, located on the south side of C Street between State and Union, will serve as the new terminus for the Orange Line. MTS will have to close the tracks on select weekends between City College and America Plaza to help complete the project. During these closures, riders are encouraged to use existing bus service along Broadway. To learn more about the project, and to stay up-to-date about upcoming track closures, visit the [project page](#).
