From LRV Maintenance Superintendant Andy Goddard:

Everyone

It's with a heavy heart that I write you all this morning to inform you that earlier this morning our world lost Sal Carini to a brief but very nasty battle with cancer. Sal was a lot of things to a lot of people and certainly a friend to all of the LRV maintenance family. Through his many years here at MTS he had a profound impact on many of our lives and our operations. His creative spirit and hard work touched so much of what we do around here. Please keep Sal and his family in your thoughts as you go about your day today. He will be certainly be missed. I will share any additional information as it becomes available.
