The Centerline stations for *Rapid 235* on I-15 are about to open!

Starting on Sunday, March 11 *Rapid 235* will begin service on the freeway-level platforms at the University Avenue and El Cajon Boulevard stops.

Familiarize yourself with the map below before you ride. Only *Rapid 235* uses the freeway platforms; all other routes use their same stops.

Be sure to use the right set of stairs or elevators for northbound and southbound service! The platforms are not connected at the freeway level.
