*New red vinyl seats will soon be seen on all 128 Trolleys in the fleet!*

Pending Board approval in June, All MTS Trolleys will be refurbished with new red vinyl seat cushions. The blue cloth seat cushions, while comfortable, were proving a challenge to maintain. This added extra time to the cleaning process each night. Vinyl is a great option because it's easy to maintain, easy to clean and does not stain or absorb liquid. Once approved, installation should begin in July/August.
