NAVY vs. NOTRE DAME FOOTBALL GAME

This annual classic match-up featuring two storied programs comes to San Diego for the first time ever! The world will be watching as the Midshipmen from the U.S. Naval Academy host the nationally ranked Notre Dame Fighting Irish at San Diego's SDCCU Stadium.

Take the MTS Trolley's Sycuan Green Line to the Stadium Station, located steps away from Stadium Gate K. Green Line trolleys depart every 15 minutes throughout the day. Beginning at 12:30pm, longer trains and more frequent service will operate between downtown and the stadium, with trains departing every 7.5 minutes until kickoff. During the game, Green Line trains will continue to operate every 15 minutes with extra trains standing by for post-game crowds. Once crowds begin to leave the game, trains will depart the stadium with greater frequency; as often as every 5 minutes during the busiest times!

Fun Fact: A 4-car MTS Trolley train can hold as many as 600 passengers. That's more than most 747 airliners! With a train departing as often as every 5 minutes, the boarding line will move much more swiftly than you might think. In most cases, much, MUCH, more quickly than it takes for the cars to exit the stadium parking lot.
