[Home](#) > Make MTS Your 'Ticket to Ride' to Saturday's Paul McCartney Concert at Petco Park

Thursday, June 20, 2019

Day Passes are just \$5 and can be downloaded to smartphones with the Compass Cloud app

San Diego – For the second time since 2014, former Beatle and rock 'n' roll legend Paul McCartney returns to San Diego's Petco Park this Saturday to perform before a sold out crowd of 42,000 fans. To accommodate the large crowds descending on Downtown, MTS is boosting Trolley service before and after the concert, making it easier for concert goers to say "baby, I don't have to drive my car" with a "Ticket to Ride" from MTS.

The Petco Park gates open at 6 p.m. and the concert kicks off at 8 p.m. Trains will depart all stations every 15 minutes throughout the day on all three Trolley lines. Beginning at 5:52 p.m., Sycuan Green Line trains will increase frequency to every 7.5 minutes between SDCCU Stadium and Petco Park. Increased frequency will continue after the concert until crowds diminish. Final trains will leave the downtown area 45 minutes after the concert ends on all three lines of the Trolley.

Just Park and Ride - MTS also has a number of free park and ride locations throughout San Diego:

SDCCU Stadium: 5,000 free parking spots (Sycuan Green Line, 30 minutes to Petco Park)

Old Town Transit Center: 412 free parking spots (Sycuan Green Line, 15 minutes to Petco Park)

Palm Avenue Station: 499 free parking spots (UC San Diego Blue Line, 23 minutes to Petco Park)

Spring Street Trolley Station: 324 free parking spots (Orange Line, 26 minutes to Petco Park)

Skip the Ticket Lines with the Cloud - Attendees are encouraged to use Compass Cloud, the mobile ticketing app to speed up boarding and avoid ticket vending machine lines. Day Passes are available for \$5 and multiple passes can be purchased on a single device, making it a great option for groups.

MTS operates 95 bus routes and three Trolley lines on 53 miles of double-tracked railway. Every weekday 300,000 passenger trips are taken on MTS bus and Trolley services. In FY 2018, MTS served more than with 86 million riders. For more information on how you can use public transportation and save money, go to www.sdmts.com.
