Thursday, June 20, 2019

Comic-Con is under a month away and you know what that means – the wraps are coming out!! Every year major players like Fox and Nickelodeon use the Trolley as a way to get the word out about new projects to the thousands of Comic-Con attendees. This year – the 50th Anniversary of Comic-Con- we have 50 Trolley wraps hitting the lines! Most of the wraps will be along the Sycuan Green Line – the Trolley line that runs right past the Convention Center – but you can catch other ones along the Orange Line and the UC San Diego Blue Line throughout June and July. Check out the first two wraps to hit the line this year and tag us in any photos of the wraps you spot on the go! (We're [@sdmts](#) on Insta)
