Every Saturday and Sunday, two children 12 & under ride MTS for free when accompanied by a paying adult (18+). So, where will you go next? MTS has teamed up with several local attractions for even more great family savings.

The USS Midway Museum is providing families a convenient and money-saving way to visit the USS Midway. With proof of a public transit receipt and one paid adult admission, up to four children get into the museum free – a \$40 value!

The USS Midway is San Diego's number one attraction and museum, and was recently voted the nation's "#1 Ship Museum" in a USA Today readers' poll survey. With more than 65 exhibits, 25 restored aircraft, cool simulator rides and an exciting new theater, there is plenty to do for the entire family.

The USS Midway Museum is located in downtown San Diego and is a short walking distance from the Santa Fe Depot and America Plaza stations, making it an easy trip on any Trolley Line, Rapid 215 or Rapid 235. For information, visit midway.org.
