Image not found or type unknown

The new six battery-electric 150 mile per charge buses have rolled out on an 18-month pilot program to serve routes 1, 2, 4, 10, 13, 815, 905 and 936. Metropolitan Transit System (MTS) is excited to be able to bring clean, quite and maximum return on investment vehicles to our

commuters and the neighborhoods they run through. MTS is gazing into the future of equipment, administration, and service.
