Miranda Lambert is country down to her guitar, boots, and style. She was a rising star in 2003 winning third on the television program Nashville Star and has continued to rise with her 6 albums released from 2005-2016, and her new mud splashing, tattooed envied, boot stomping album Wildcard makes seven. Lets give you some mood setting, tasting pallet of songs;

Kerosene 2005 top 20 country hit

Somethin' Bad 2014 ft. Carrie Underwood and sits at 111.5 million views on youtube

Vice 2016 #31 on Rolling Stone's 50 Best List

Jumping into her new album we have two songs for you to preview to get a view of where she is now, but by no means do these two tasters prepare you for her full scale Concert performance, not much can prepare you for that
